The Islamia University of Bahawalpur |
2022-2026

ABOUT ME

I am a MERN stack developer with 2 years of experience in building dynamic and scalable web applications using MongoDB, Express, React, and Node.js

EXPERIENCE

Mern Stack Web Developer

Codings First Bahawalpur

Aug 2024- Nov 2024

I have 2 years of experience in full-stack development, specializing in modern web technologies. Previously, I worked at Codings First, where I contributed to building dynamic and user-friendly applications

Mern Stack Web Developer

Codes Thinker Bahawalpur

March 2024- Aug 2024

I worked at Codes Thinker as a web developer, where I contributed to building dynamic and scalable web applications using the MERN stack. My role involved developing efficient back-end systems, creating responsive front-end interfaces, and ensuring seamless integration of databases

Junior Developer

Nov 2022- Dec 2023

Freelance Bahawalpur, Bahawalpur

I worked as a Junior Developer at Freelance in Bahawalpur, where I gained hands-on experience in web development, collaborating on various projects and improving my skills in front-end and back-end technologies
